

DON'T TREAT ME LIKE ... TRASH!

Plastic bags require a different type of recycling than plastic bottles and containers. That's why it's important to bring them back to the store for recycling, instead of placing these in your community curbside container.

Why recycle bags and wraps?

Recycled plastic bags can be made into outdoor decking, park benches and new bags . . . among other things! Here are more bags and wraps you can recycle:

Produce Bags

Retail Bags

Newspaper Bags

Case Wrap
(e.g. snacks, beverage cases)

Bread Bags

Napkin, Paper Towel, Bathroom Tissue and Diaper Wrap
(packaging)

Air Pillows

- NO frozen food bags
- NO prewashed salad mix bags
- NO degradable bags

Dry Cleaning Bags
